

DIVE into DIGITAL

Invitation

Dear Ms./Mr.,

On behalf of Huawei, I would like to invite you to an event that will be held online from September 23 to October 1. This event offers a chance to explore the latest in digital exhibitions, and the opportunity to connect with industry leaders.

Throughout the pandemic, digital technology has played a crucial role in providing healthcare for many communities around the world. We are excited to share our insights and experiences with you.

attend Huawei Connect 2021. This year's
October 31, complete with live broadcasts,
at with industry experts.

s been a lifeline to work, education, and
orld. As the world begins to recover, and

organizations look for ways to thrive in this new era. Cloud computing technology will play a more important role.

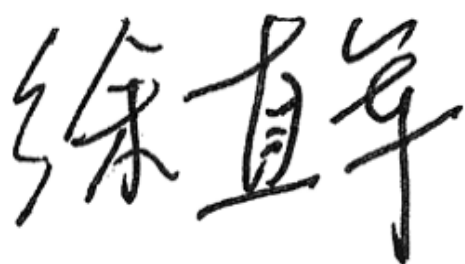

The theme of this year's event is Dive into Digital. The application of technologies like cloud, AI, and 5G will help organizations of all shapes and sizes become more efficient, as we move towards economic recovery.

We will also announce an exciting range of new products and best practices from our work with customers and partners. We will build a dynamic ecosystem for collaboration and success.

Specifically, at this year's event, you can:

- Connect with industry visionaries and business leaders
- Explore business opportunities with partners
- Exchange ideas with top technical experts and customers
- Explore new ICT innovations for industry applications
- Dive deep into leading ICT technologies like cloud, AI, and 5G

Sincerely,

Eric Xu

Rotating Chairman, Huawei

environment, advanced connectivity and
t role than ever.

We're going to dive deep into the practical
in all industries, and how they can make
more versatile, and ultimately more resilient

products and solutions, share experience and
partners, and explore how we can jointly
shared success.
